## About

I'm Zak! I'm a designer and visual artist with broad interests and 9 years of experience collaborating with clients and fellow creatives. Among other things, I enjoy communicating complex ideas and finding innovative solutions to design problems. See my portfolio at [zakeidsvoog.com](http://zakeidsvoog.com)

## Skills

Proficient in Adobe Creative Cloud and Microsoft Office with a basic understanding of HTML and CSS. Also comfortable with web-based web design tools (Squarespace, Ceros, etc.). Skilled in branding, illustration, animation, information design, UI/UX, multipage layout, digital photography and print production. Not afraid to do a little copywriting when needed.

## Interests

Other interests include game design, painting, printmaking, running and pizza baking. 🍕
